

Camp Wanapitei

*Teaching Self Reliance and Leadership Skills
since 1931*

FOOD SERVICE MANAGER/HEAD CHEF

The Camp Wanapitei Food Service Manager is in charge of the food service program, and directs the camp's daily meal services. Camp Wanapitei is willing to train a successful candidate lacking in various skills and experience.

Experience / Skills:

- Experience in a culinary environment
- Knowledge of menu planning, and inventory control
- Excellent communication skills
- Excellent supervisory skills

Duties:

- Supervise and train kitchen staff – responsible for quality and quantity of food served and for training and growing kitchen staff for optimal team performance in the kitchen
- Supervise and train kitchen staff members in culinary techniques and cooking skills
- Co-ordinate and manage time off with the other kitchen staff members.
- Communicate all concerns to the management team and/or the directors
- Act as an active and professional member of the camp management team – working together to run the camp – looking for solutions together to all problems – seeing challenges as opportunities to help each other.
- Prepare menus in accordance with Wanapitei guidelines and the Canadian Food Guide
- Report directly to the Directors
- Place food orders with Sysco
- Make sure that staff and campers remain outside of the food preparation area when food is being prepared
- Supervise other kitchen staff members in the correct dish washing procedures.
- Ensure removal of all garbage and compost from the food preparation area daily
- Supervise kitchen staff to do the daily cleaning of the kitchen (swept and mopped daily)
- Ensure that snack is provided in the evening for campers – liaise with program director each day for this.

Job Applications
